### Group Training Classes

**Chiseled:** Strength focused programming aimed towards isolating muscle groups and building strength and muscular endurance. Be ready to make your muscles burn and drip sweat with this low cardio format. You will tone, tighten, and sculpt your body!

**Fit Stop:** Push yourself to the next level and LETS GET RESULTS! This transformational program is set to increase metabolism, burn body fat and definitely helps you get fit. Each class will have you excited for the next workout. Flip some tires, release the beast, and blast through your physical boundaries!

**Intensity:** A high powered 60 minutes! All fitness levels can take their fitness to the next level. Experience running, rowing, resistance training, and bodyweight movements, all in one high intensity class. Maximum effort is all you need for results: just show up! Come join the fun and burn calories long after the workout is over!

**Minute Madness:** This class packs a punch 60 sec at a time! Every minute on the minute you will be pushed to the max! Body weight movements mixed with weights and other calorie burning equipment will bring you a high impact heart pumping action packed class. Lots of variety will keep your body guessing and each class different but the results will be a constant!
